

Worthington

Standard Worthington 4.1m

**Sefton Cycle Rack
23 Cycles in 4metres!**

The Worthington Cycle Shelter is large enough to cover Double side cycle stands with it's 3m deep canopy.

Shown above 4100mm long with Urbanfab Sefton "Max" type rack accommodating 23 cycles.

This combination maximises cycle parking allocations where space is at a premium.

Mild Steel to BS 1449. Available in various lengths from 3000mm to 5000mm.

Galvanised to BSEN ISO 1461 (1999)

Polyester Powder Coated 40-60 micron.

Mounting options: Plate mounted or Root mounted
