Product information: The Cycle Shelters are made with a mild steel frame and are Plate Mounted Bolt down. The Eco Cycle Shelter is very easy to assemble and is delivered flat pack. The shelter is lightweight yet robust and being galvanised will give maximum protection from rust for many years. This is a full size shelter and will take up to 10 adult cycles. The assembly

is very straight forward. The shelters are available in Galvanised finish however if you want a Powder coated colour scheme this can be arranged. Any standard RAL colour,

The Cycle Rack is manufactured with 50 mm diameter tube and is also fully galvanised to BS EN ISO 1461:1999. Complete with flanges for bolting directly to suitable ground surface. Easy to fit and supplied as a kit that is very easy to assemble.
