Product information: The Smoking Shelters are made with a mild steel frame and are Plate Mounted Bolt Down. The Smoking Shelter is very easy to assemble and is delivered flat pack. The Smoking shelters are lightweight yet robust and being galvanised will give maximum protection from rust for many years. This size Smoking shelter will comfortably accommodate 6-8 adults. The assembly is very straight forward. The Smoking shelters are available in Galvanised finish only however if you want a painted shelter, simply assemble the frame and paint it to the desired colour (leave it to dry) and then fit the sheeting. To hand paint a shelter will only take about 45 minutes.

This Smoking Shelter is supplied with PET Clear view back panels giving a light area to smoke in while at the same time ensuring that users have all round visibility, in addition for user's security cameras can be trained on the shelter.

To order this Smoking Shelter Package please telephone 01665577022 or email [sales@urbanfab.com](mailto:sales@urbanfab.com). We will need to know the delivery address including post code and how soon you want delivery. The shelter is manufactured in large sections however assembly is a straight forward two person job.
